

Competence in the Commercial Kitchen – That's Volta!

Glad you're paying us a visit

We are your high-performance producer of commercial kitchens, buffet systems, customised stoves, free-flow and self-service systems for all culinary providers who value 1A-quality, top operating convenience, a long life-cycle over generations as well as an innovative mix of materials.

Our products are sold exclusively through selected specialised dealers. We develop the perfect solution for your kitchen set-up and expansion with a future together with your trusted specialized dealer.

Speaking of the future, sustainability is a core value of our corporate identity. Find out more about that [here](#).

Most cordially yours, Volta-Edelstahl
